SKILLS AREA

This is a great place to hone in on your bike skills. We have many jumps and obstacles set up for you to progress and challenge yourself. In this area, you'll also find our adventure line, suitable even for the most adventurous balance bike shredders.

Beginner

What to Expect:
Green-rated trails include rollable features such as rollers, tabletop jumps, berms.

Suitable for:
These trails are ideal for balance bikes, first-timers, beginners, and novices.

Bike Required:
Any bike is suitable for use on these trails; including balance bikes.

Suggested Skill Level:
These trails are suitable for everyone. the trails.

Intermediate

What to Expect:
Blue-rated trails include rollable features such as tabletop jumps, berms, rollable drops, and Northshore wooden features.

Suitable for:
These trails are suitable for beginners, novices, and intermediates, and they also make excellent warm-up trails before a session.

Bike Required:
Any bike is suitable for use on these trails; however, we do not recommend road, gravel, or Dutch-style bikes.

Suggested Skill Level:
You should be able to control your speed sufficiently, come to a stop, and turn the bike in the direction of the trails.

Advanced

What to Expect:
Red-rated trails include Northshore wooden features, gap jumps, and drops. Some of these features may be unavoidable.

Suitable for:
These trails are suitable for advanced riders only.

Bike Required:
Any modern mountain bike, BMX, or e-bike is suitable for these trails. We recommend bikes be equipped with at least one brake.

Suggested Skill Level:
You should be able to control your bike sufficiently, ride with level pedals, and feel comfortable getting air over jumps and clearing drops over 2 ft high.
